Year: *2021*

Grape Variety: *Alvarinho*

Alcohol Content (%vol): *13,5*

Residual Sugar (g/dm³): *1,5*

Total Acidity (g/dm³): *6*

Winemakers: *Fernando Machado and Henrique Lopes*

This wine was produced from grapes grown in a Quinta das Arcas vineyard located on a slope of the Ferreira river valey in Sobrado. This priveleged location, upstream the paleozoic basin from where we share the schisty nature of our soils.

Elaborated through classic vinification and 8 month aged in french Oak barrels with weekly "battonnage" for the first 2 months.

Clear of a straw color a appearance.

Abundant fruits with complex candied citrus undertones and white flowers resembling jasmine.

With complex and balanced aromas, presents strong structure in the mouth with an excellent acidity that provides a strong capacity for evolution.

The fermentation in barriques and a short "sur lie" aging period and battonage, improves the oak blend in the wine and enhances its creaminess and the depth.

It should be served between 8 a 10°C.

"Certificado por SATIVA"
Vinho de uvas produzidas em
modo de produção integrada.
